

NEW HIMALAYAN PASHMINA HOUSE

HIMALAYAN PASHMINA & CASHMERE SWEATERS

HANDCRAFTED IN NEPAL · newhimalayanpashminahouse.com

ABOUT THE COLLECTION

At New Himalayan Pashmina House, every garment begins in the high-altitude meadows of the Himalayas, where the rare and exceptional fibre of the Changthangi goat — known to the world as pashmina — is gathered by hand. This fibre, prized for its extraordinary softness and natural warmth, forms the foundation of our sweater and knitwear collection.

Our artisans in Kathmandu bring generations of weaving and knitting tradition to each piece. Styles range from timeless classic pullovers to contemporary cardigans, all shaped by skilled hands and finished to exacting standards. The result is knitwear that feels luxurious against the skin and is built to endure.

Our sweater collection is available in Canada and worldwide through our online store at newhimalayanpashminahouse.com. We are committed to ethical sourcing, fair trade practices, and preserving the artisan heritage of Nepal.
